## 3. Miscellaneous

---

### 3.1. WA WHS Legislation

The progress towards adopting the national WHS system in Western Australia is continuing with the release by WorkSafe Western Australia of a consultation document “Work Health and Safety Act Consultation document – Modernising work health and safety laws in Western Australia – Proposals for amendments to the model Work Health and Safety Bill for adoption in Western Australia”. The document includes quite a number of proposed modifications to the model WHS Act and the deadline for comments and submissions was at the end of August 2018.

### 3.2. AS/NZS ISO 45001:2018

AS/NZS ISO 45001:2018 Occupational Health and Safety Management Systems - Requirements with Guidance for Use, was issued in October 2018. The standard will be incorporated in the WHSE Guidelines, as part of the next update, in the same way that ISO 45001 was incorporated in the documents earlier this year.

### 3.3. Transport of Dangerous Goods Legislation

This update includes three new Regulations covering the transport of dangerous goods, as follows:

- Victoria Dangerous Goods (Transport by Road or Rail) Regulations 2018 (commenced October 2018);
- Queensland Transport Infrastructure (Dangerous Goods by Rail) Regulation 2018 (commenced August 2018); and
- Queensland Transport Operations (Road Use Management - Dangerous Goods) Regulation 2018 (commenced September 2018)

### 3.4. Victoria Prevention of Falls Compliance Codes

Two Compliance Codes for the prevention of falls in construction have been issued in Victoria in October 2018, as follows:

- Compliance code: Prevention of Falls in General Construction 2018; and
- Compliance code: Prevention of Falls in Housing Construction 2018.

The Compliance Codes (including specific references to individual sections and appendices) and the Australian Standard they reference, have been incorporated in the WHSE Compliance Guides, as applicable.
